In preparing the Bankruptcy Materials, the Debtor relied upon information derived from its books and records that was available at the time of such preparation. While the Debtor's management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtor reserves all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the above-captioned Debtor, including but not limited to any issues involving substantive

**General Notes**

Description of Case. On February 12, 2019 (the "Petition Date"), the Debtor filed with the Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the "Chapter 11 Case"). The Debtor is operating its business as debtor in possession pursuant to sections 1007(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made and no official committee has been appointed in the Chapter 11 Case.

Basis of Presentation. The Bankruptcy Materials reflect the assets and liabilities of the Debtor. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles ("GAAP").

Failure to include an asset on the Bankruptcy Materials does not represent an admission that such asset is not property of the Debtor. Similarly, inclusion of a liability on the Bankruptcy Materials of the Debtor does not represent an admission that the Debtor is the party obligated for such liability.

Claims Description. Any failure to designate a claim on the SOFA and Schedules as "contingent," "unliquidated," or "disputed" does not constitute an admission that such claim is not "contingent," "unliquidated," or "disputed."

Furthermore, nothing contained in the SOFA and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of chapter 5 or chapter 11 of the Bankruptcy Code or other applicable non-bankruptcy laws.

Listing a claim or contract (1) on Schedule F as "unsecured," or (2) on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract.

Dates. Unless otherwise indicated, all asset and liability information is listed as of the Petition Date.

Insiders. In the circumstance where the Bankruptcy Materials require information regarding insiders and/or officers and directors, the Debtor has attempted to include therein the Debtor's (a) directors and (b) employees that may be, or may have been during the relevant period, "officers," as such term is defined by applicable law. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the Schedules. The amounts shown for total liabilities exclude items identified as "unknown" or "undetermined" therefore, ultimate total liabilities as established following a claims bar process may differ materially from those stated in the Bankruptcy Materials.

These Global Notes are in addition to the individual Bankruptcy Materials. Disclosure of information in just one of the Schedules, SOFA, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct location within the Schedules, SOFA, exhibit or continuation sheet.
