IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED, as set forth herein.

2. (b) The first Monthly Fee Application submitted by each Professional shall cover the period from the effective date of such Professional's retention through and including the last day of the month following such date.

(c) Any Professional that fails to file a Monthly Fee Application for a

[3] "Professional" shall mean professionals employed by the Debtor, under sections 327 and/or 328 of the Bankruptcy Code, professionals employed by the Committee under section 1103 of the Bankruptcy Code, and the Patient Care Ombudsman employed under sections 105, 330, and 333 of the Bankruptcy Code.

particular month or months may subsequently submit a consolidated Monthly Fee Application that includes a request for compensation earned or expenses incurred during previous months.

(d) All Monthly Fee Applications shall comply with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, applicable Third Circuit law, and the Local Rules for the United States Bankruptcy Court for the District of Delaware. Professionals providing legal services shall submit to the U.S. Trustee LEDES data for the respective Monthly Fee Application with service of each Monthly Fee Application.

(e) Each Notice Party will have twenty-one (21) days after service of a Monthly Fee Application to object thereto (the "**Objection Deadline**"). If no objections are raised by the expiration of the Objection Deadline, the Professional submitting the Monthly Fee Application shall file a certificate of no objection with the Court, after which the Debtor or Reorganized Debtor, as the case may be, shall be authorized to pay each such Professional an amount (the "**Actual Interim Payment**") equal to the lesser of: (i) 80% of the fees and 100% of the expenses requested in the Monthly Fee Application (the "**Maximum Interim Payment**"); or (ii) 80% of the fees and 100% of the expenses not subject to an objection pursuant to subparagraph (f) below.

(f) After receipt of a Monthly Fee Application, any of the Notice Parties or any party-in-interest may interpose an objection (an "**Objection**") to a Professional's Monthly Fee Application by serving such written Objection upon the affected Professional and each of the Notice Parties and filing the Objection with the Court, so as to be received on or before the Objection Deadline. Any such Objection shall identify with specificity the objectionable fees and/or expenses and the basis for such objection. Thereafter, the objecting party and the affected Professional may attempt to resolve the Objection on a consensual basis. If the parties are able to resolve their dispute, the affected Professional shall serve on the Notice Parties a statement indicating that the Objection has been withdrawn or settled, and the Debtors shall promptly pay, in accordance with subparagraph (e) that portion of the Monthly Fee Application that is no longer subject to an Objection up to the Maximum Interim Payment. If the parties are unable to resolve the Objection within twenty-one (21) days after service of the Objection, the affected Professional shall have the option of:

(i) filing a response to the Objection with the Court, together with a request for payment of the difference, if any, between the Maximum Interim Payment and the Actual Interim Payment made to the

affected professional (the "**Incremental Amount**"); or (ii) forgoing the Incremental Amount until the next interim or final fee application hearing at which time the Court will consider and dispose of the Objection if requested by the parties.

(g) Beginning with the approximate three-month period from the Petition Date and ending on June 30, 2021, at three-month intervals, each of the Professionals must file with the Court and serve on the Notice Parties a request (an "**Interim Fee Request**") for interim Court approval and allowance, pursuant to section 331 of the Bankruptcy Code, of the compensation and reimbursement of expenses sought in the Monthly Fee Applications filed during such three-month period (the "**Interim Fee Period**"). The Interim Fee Request must identify the Monthly Fee Applications that are the subject of the Interim Fee Request, the amount of fees and expenses requested, the amount of fees and expenses paid to date or subject to an objection, the deadline for parties to file objections to the Interim Fee Request, and any other information requested by the Court or required by the Local Rules. The Interim Fee Request shall be filed with the Court and served on the Notice Parties within thirty (30) days after the end of the Interim Fee Period for which the request seeks allowance of fees and reimbursement of expenses. Each Professional must file its first Interim Fee Request on or before July 31, 2021, and the first Interim Fee Request should cover the Interim Fee Period from the Petition Date through June 30, 2021.

(h) The Debtor will request that this Court schedule a hearing on Interim Fee Applications at least once every six (6) months or at such other intervals as this Court deems appropriate. The Court, in its discretion, may approve an uncontested Interim Fee Application without the need for a hearing, upon the Professional's filing of a certificate of no objection. Upon allowance by the Court of a Professional's Interim Fee Application, the Debtor will be authorized to promptly pay such Professional all requested fees (including the 20% holdback) and expenses not previously paid.

(i) The pendency of an Objection to payment of compensation or reimbursement of expenses will not disqualify a Professional from the future payment of compensation or reimbursement of expenses, unless the Court orders otherwise.

(j) Neither (i) the payment of or failure to pay in whole or in part monthly interim compensation and reimbursement of expenses, nor

(k) the filing of or failure to file an Objection, will bind any party- in-interest or the Court with respect to the allowance of interim or final applications for compensation and reimbursement of expenses of the

Professionals. All fees and expenses paid to the Professionals are subject to disgorgement until final allowance by the Court. Any Professional that fails to file a Monthly Fee Application or an Interim Fee Application when due will be ineligible to receive further monthly or interim payments of fees or expenses with respect to any subsequent period until such time as a Monthly Fee Application or an Interim Fee Application is filed and served by the Professional. There will be no other penalties for failing to file a Monthly Fee Application or an Interim Fee Application in a timely manner.

(l) Professionals will file final applications for compensation and reimbursement (the "**Final Fee Applications**") by such deadline as may be established in a confirmed chapter 11 plan or in an order of this Court. All Final Fee Applications shall comply with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and orders of this Court. Each Professional shall make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013*, in connection with each Interim Fee Application and/or Final Fee Application.

(m) Copies of all Monthly Fee Applications, Interim Fee Applications, Final Fee Applications and notices of any hearings thereon (each a "**Hearing Notice**") must be served upon only the Notice Parties. All other parties who file a request for service of notices pursuant to Bankruptcy Rule 2002 will be entitled to receive only a copy of a Hearing Notice in connection with each Monthly Fee Application, Interim Fee Application, and Final Fee Application. Notice given in accordance with the Order is deemed sufficient and adequate and in full compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules.

3. Each member of the Committee, if any, is permitted to submit statements of expenses and supporting vouchers to counsel to the Committee, which shall collect and submit the Committee members' requests for reimbursement in accordance with the Compensation Procedures. Approval of the Compensation Procedures, however, does not authorize payment of such expenses to the extent that such authorization does not exist under the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and applicable Third Circuit law.

4. Notice of Monthly Fee Applications, Interim Fee Requests, final fee applications and Hearing Notices shall be limited as follows: (i) the Notice Parties shall be entitled to receive the Monthly Fee Applications, Interim Fee Requests, final fee applications and Hearing Notices; and (ii) all other parties who have filed a notice pursuant to Bankruptcy Rule 2002 shall be entitled to receive only the Interim Fee Requests and Hearing Notices given in accordance with this paragraph, notice of which is deemed to be sufficient and adequate and in full compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules of this Court.

5. The Debtor shall include all payments made to Professionals in its Monthly Operating Reports, detailed so as to state the amount paid to each Professional.

6. Notwithstanding anything to the contrary contained in this Order, any payment made or to be made under this Order, any authorization contained in this Order, or any claim for which payment is authorized by this Order, shall be subject to the requirements imposed on the Debtor under any orders of this Court approving any use of cash collateral by the Debtor and any approved budget (subject to permitted variances thereto) in connection therewith.

7. All time periods referenced in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

8. Notwithstanding the possible applicability of Bankruptcy Rules 6004(h), 7062, 9014 or otherwise, this Order shall be immediately effective and enforceable upon its entry.

9. The Debtor is authorized to take all actions necessary to effectuate the relief granted pursuant to this Order.

10. The Court shall retain jurisdiction with respect to all matters arising from or related to the implementation of this Order.
