 The Trustee has reviewed the majority of the approximate 5000 claims that were filed and has filed objections or determined that the claim(s) should be allowed. The Trustee has approximately 55 claims to resolve along with the WARN class action claim which is being litigated. In addition, there are priority tax claims that will have to be settled and paid. The tax claims arise from the amendment of state tax returns for 2010-2012 in relation to a settlement with the IRS. The only other remaining asset is the claim against Kevin Modany which is in litigation. The Trustee is working hard to settle the remaining claims so she can hopefully make a partial distribution by the end of 2021.
