1 counsel to the Trustee in Singapore. Below is a summary of the various services provided.

2 **NARRATIVE STATEMENT OF SERVICES RENDERED AND EXPENSES INCURRED**

3 The Applicant understands that multiple interim fee applications are being made  
4 contemporaneously with the present application and therefore relies on and incorporates by reference  
5 the narrative history provided in such interim fee applications pursuant to Loc. Bankr. R. 2016-  
6 1(a)(1)(A)(iv).

7 The following is a detailed description by activity code of the Applicant's services during the  
8 course of its employment herein pursuant to the requirements of Loc. Bankr. R. 2016-1(a)(1)(D), and  
9 the "Office of the United States Trustee Guidelines for Reviewing Application for Compensation and  
10 Reimbursement of Expenses."

11 The Application complies with all statutory guidelines and Court-imposed requirements.  
12 However, services pertaining to one category may in fact be included in another category when certain  
13 services relate to one or more categories. In addition, due to the different roles of attorneys, services  
14 relating to similar matters may at times be placed in different categories by different attorneys. This  
15 reflects the Applicant's effort to avoid duplication while coordinating between attorneys operating  
16 within their areas of responsibility.

17 The Applicant requests an order allowing and approving interim allowance and payment of fees  
18 in the amount of USD33,775.20 (subject to a 20% holdback), and expenses in the amount of  
19 USD2,679.78, for an aggregate total of USD36,454.98 for services rendered on behalf of the Chapter 7  
20 Trustee during the Second Interim Period (as discussed in more detail below). The Applicant entered  
21 into no agreement and made no understanding, formal or otherwise, with any person or entity concerning  
22 the sharing of compensation to be received, except as among the principals of the Applicant.

23 **I. INTRODUCTORY STATEMENT**

24 1. This is the Applicant's second interim fee application. During the Second Interim Period,  
25 the Applicant's efforts on behalf of the Chapter 7 Trustee and the bankruptcy estate have centered on  
26 matters involving the Debtors' estate and affairs, including:

27 **II. STATEMENT OF SERVICES RENDERED AND TIME EXPENDED**

28 2. The following is a detailed description by activity code of the Applicant's services during

1 this case pursuant to the requirements of Loc. Bankr. R. 2016-1(a)(1)(D), and the "Office of the United  
2 States Trustee Guidelines for Reviewing Application for Compensation and Reimbursement of  
3 Expenses".

4 3. The Application complies with all statutory guidelines and Court-imposed requirements.  
5 However, services pertaining to one category may in fact be included in another category when certain  
6 services relate to one or more categories. In addition, due to the different roles of attorneys, services  
7 relating to similar matters may at times be placed in different categories by different attorneys. This  
8 reflects the Applicant's effort to avoid duplication while coordinating between attorneys operating within  
9 their areas of responsibility.

10 4. In addition, the Applicant has computerized records of both time expended in providing  
11 professional services to the Debtors as well as records of expenses incurred pursuant to the rendition of  
12 professional services to the Debtors. Timekeeping entries providing detailed description of all  
13 professional legal services rendered, a summary of time expended by the attorneys, as well as a detailed  
14 description of the expenses incurred during the Second Interim Period in the form of an invoice from the  
15 Applicant, is attached hereto as **Exhibit A**.

16 5. Pursuant to the Applicant's standard terms of business on which the Applicant as engaged  
17 by the Chapter 7 Trustee to perform its obligations, the Applicants revise hourly rates of its professionals.  
18 With the time-frame for the engagement of the Applicant crossing between years, several of the  
19 professionals who worked on the engagement have had their hourly rates revised during the course of  
20 the engagement. This is in no way a special arrangement for the Chapter 7 Trustee, and is a matter of  
21 standard business. The summary in Exhibit B provides the hourly rates of each professional as well as  
22 any changes thereto.

23 6. Pursuant to the Applicant's standard terms of business on which the Applicant was  
24 engaged by the Chapter 7 Trustee to perform its obligations, the Applicant is obliged by Singapore law  
25 to charge Goods and Services Tax ("GST") at the rate of 7.00% to our clients in respect of work carried  
26 out in Singapore unless an exemption or zero-rating is applicable. Where we are required to charge GST,  
27 we will add the tax to our charges and (where necessary) to our professional fees and disbursements.  
28 The figures below will indicate whether the relevant sum is subject to GST.

1           7.       The Applicant has obtained the Trustee's consent on July 18, 2019 to act with fee  
2 estimates in relation to certain categories of work and services to be provided by the Applicant. The  
3 Applicant confirms that the fees incurred in relation to each such category of work (as described below)  
4 do not exceed the fee estimates. Where there has not been a fee estimate provided, the Applicant has  
5 charged time-costs on an hourly basis, as per the Applicant's standard terms of business on which the  
6 Applicant was engaged by the Chapter 7 Trustee to perform its obligations.

7       **A.       SERVICES PERFORMED FOR THE SECOND FEE PERIOD**

11 efforts in Singapore and those of the Singapore liquidators;

13 clawback actions against AMEX and other financier groups;

17 liquidators.

18       **B.       PREPARATION OF SECOND INTERIM FEE APPLICATION**

19           9.       Time billed in this category during this Second Interim Period relates to work done in  
20 relation to preparation of the present application, up to the date of December 31, 2020. At the time of  
21 the making of the present application, it is expected that further time-costs incurred in respect of this  
22 category of work after the date of December 31, 2020 will be accounted for in the Applicant's subsequent  
23 fee applications.

24           10.      The Applicant expended 21.58 hours of professional time to provide such services, and  
25 professional fees in this category amount to SGD8,012.50 (subject to 7% GST).

26       **C.       TOTAL TIME EXPENDED DURING SECOND INTERIM PERIOD**

4 **III. INFORMATION REGARDING REIMBURSABLE EXPENSES**

5 12. Included in the attached Exhibit A and incorporated herein by this reference is a summary  
6 of all expenses incurred in connection with the Applicant's representation of the Chapter 7 Trustee herein.  
7 It is the Applicant's policy to charge its clients in all areas of practice for identifiable, non-overhead  
8 expenses incurred in connection with the client's case that would not have been incurred except for  
9 representation of that particular client. It is also the Applicant's policy to charge its clients only the  
10 amount actually incurred by the Applicant in connection with such items. Examples of such expenses  
11 include postage, overnight mail, courier delivery, transportation, photocopying, airfare, meals, and  
12 lodging.

13 13. The Applicant's request for reimbursement of expenses herein includes costs advanced in  
14 the total amount of SDG3,328.21 not yet paid for filing fees, search fees and other out-of-pocket costs  
15 and expenses necessarily and reasonably incurred on behalf of the Chapter 7 Trustee. The expenses also  
16 include the 7% GST applicable to net fees requested in this Application. The Applicant makes every  
17 effort to limit the expenditure of expenses and to use the most economical means available for  
18 accomplishing the tasks requiring expenditure of costs. A detailed description of each category of  
19 expenses requested to be reimbursed is as follows.

20 14. Telephone and facsimile charges. The Applicant charges for actual telephone call charges  
21 including overseas calls, facsimile and telex charges conducted in connection with its employment in  
22 this case. The total incurred in this category was SGD14.62 (subject to 7% GST) for the Second Interim  
23 Period.

25 journeys made by its attorneys to and from the courts in relation to hearings and PTCs; as well as  
26 transportation home if attorneys are required to work past normal office hours in connection with the  
27 Applicant's employment in this case. The total incurred in this category was SGD46.00 (subject to 7%  
28 GST) for the Second Interim Period.

1 Applicant believes that the level of services rendered to achieve the results obtained for the benefit of  
2 the Trustee was reasonable in light of the number and complexity of the issues involved in this case at  
3 the time the services were rendered. Applicant judiciously allocated responsibilities to minimize  
4 possible duplication of effort.

5 20. Applicant respectfully submits that the fees requested herein represent reasonable  
6 compensation for the actual and necessary services rendered based upon the time, nature and value of  
7 such services. Applicant further asserts that the costs of services rendered are comparable to the cost of  
8 similar services and expenses in matters other than under the Bankruptcy Code and consistent with  
9 Applicant's Retention Application.

10 **WHEREAS**, by this Application, Applicant requests interim allowance and approval of (i)  
11 compensation for fees in the total amount of USD33,956.90 incurred on behalf of the Trustee for  
12 reasonable and necessary professional services rendered by Applicant; and reimbursement of  
13 USD2,497.99 for actual and necessary costs and expenses; (ii) payment to the Applicant of eighty
