**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors (collectively the “Debtors”), with assistance of their advisors, are filing their Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” or “SOFAs”) in the Bankruptcy Court for the Northern District of Texas, (the “Bankruptcy Court”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding the Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules

¹ A list of the Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, is attached hereto as Exhibit A.

and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules and Statements contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of each of the Debtors.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against any Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Given, among other things, the uncertainty surrounding the valuation and nature of certain assets and liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that such Debtor was solvent on the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, it is not an admission that such Debtor was insolvent on the Petition Date or any time prior to the Petition Date.

Chief Restructuring Officer Louis E. Robichaux IV has signed each of the Schedules and Statements. Mr. Robichaux is an authorized signatory for the Debtors. In reviewing and signing the Schedules and Statements, Mr. Robichaux has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Robichaux has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist.

The Debtors reserve all rights to (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim (“Claim”) description or designation; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; (iii) subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or potential for avoidance of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the applicable Debtor that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to each Debtor’s chapter 11 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements except as may be required by applicable law.

2. Description of These Chapter 11 Cases and “As Of” Information Date. On March 6, 2018 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Except as otherwise noted herein, the asset and liability information provided herein represents data as of the close of business on February 28, 2018. Exceptions to this include cash and accounts payable, employee wage claims, and the secured debt owed to the Omega Parties (as defined below) and Sterling National Bank (“Sterling”), which are reflected as of the close of business on March 6, 2018.

3. Net Book Value of Assets. Unless otherwise indicated, the asset data contained in the Schedules and Statements reflect net book value as of the Petition Date as opposed to fair market value. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all of their assets. Exceptions to this include cash and accounts receivable which for book purposes is reflected at net realizable value. Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets and may differ materially from the actual value of the underlying assets. Furthermore, values for assets that have been fully depreciated or were expensed for accounting purposes may not appear in these Schedules and Statements as they have no net book value.

4. Recharacterization. Notwithstanding the Debtors’ reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors

reserve all of their rights to change the characterization, classification, recategorization or redesignation or to add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired post-petition. Disclosure of information in one or more Schedules, one or more Statement questions, or one or more exhibits or attachments to the Schedules and Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

5. Capitalized Leases. Certain of the Debtors are parties to three active leases (and associated subleases), namely (i) the Master Lease Agreement (Indiana Region), effective November 27, 2013, (ii) the Master Lease Agreement (South East Region), effective November 27, 2013, and (iii) the Master Lease Agreement between OHI Asset (SC) Greenville, LLC, OHI Asset (GA) Macon, LLC, OHI Asset (SC) Orangeburg, LLC as Landlords and New Ark Master Tenant, LLC (Laurel Baye), effective June 27, 2014 (collectively, and as amended from time to time thereafter, the “Master Leases”)². The landlord with respect to the three leases is OHI Asset RO, LLC (“OHI”) or subsidiaries or affiliates of OHI (together, the “Omega Parties”).³

Under GAAP, the Debtors are required to record the Master Leases in their financial statements as capitalized leases.

The Debtors have excluded from Schedule A/B the property (land, building, leasehold improvements, equipment, furniture and fixtures) subject to the capital lease with the Omega Parties. Similarly, the Debtors have excluded from Schedule D the obligations owed to the Omega Parties under the Master Leases.

6. Accounts Payable. Because of the Debtors’ utilization of the centralized cash management system as described in further detail in the *Motion of the Debtors for Entry of Interim and Final Orders Authorizing (I) Continued Use of Existing Cash Management System, (II) Maintenance of Existing Bank Accounts, and (III) Continued Use of Existing Business Forms, and (IV) Extension of Time to Comply with 11 U.S.C. § 345(b) Deposit and Investment Requirements* (the “Cash Management Motion”), most, if not all, of the vendor trade payables are booked on the Schedules of Orianna Health Systems, LLC (“OHS”). It would be prohibitively burdensome to trace the liabilities owed by each Debtor to each vendor, particularly in these chapter 11 cases where many vendors provide services to more than one Debtor. In the ordinary course of business, all bills and invoices are paid by OHS. The exception to this is Palladium Hospice and Palliative Care, LLC (“Palladium”), which has its own cash management system and pays its own employees, operating expenses and vendor invoices.

² The Master Leases are subject to recharacterization as described in further detail in the *Motion of the Debtors for Entry of an Order (I) Approving the Settlement and Compromise of Certain Claims Pursuant to a Settlement and Compromise of Certain Claims Pursuant to a Settlement Agreement; and (II) Granting Related Relief* [Docket No. 101] (the “9019 Motion”).

³ Any reference to Omega on these Schedules and Statements means OHI Asset RO, LLC or its subsidiaries or affiliates that are parties to various agreements with the Debtors (the “Omega Parties”). Upon request, the Debtors will provide a complete list of the Omega Parties.

In addition, the Debtors have sought to properly record accounts payable and accrued expenses between the pre-petition and post-petition periods. As additional information becomes available and further research is conducted, the allocation of liabilities between the pre-petition and post-petition periods may change. Accordingly, each Debtor reserves all of its rights to amend, supplement, or otherwise modify its Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

7. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including, without limitation, goodwill, deferred income taxes, intercompany receivables (payables), property subject to capitalized leases and the corresponding capitalized lease obligations. The Debtors have also excluded certain assets and liabilities that they believe are property or obligations of non-debtor affiliates or their residents (Resident Trust Accounts, Resident Care Cost Accounts, Resident Petty Cash Accounts, and Third Party Operator Accounts).⁴ The Debtors have also excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

The Debtors file a Federal corporation income tax return on a consolidated basis with 4 West Holdings, Inc. as the common parent. At December 31, 2016, the Debtors had a Non-SRLY (Separate Return Limitation Year) Net Operating Loss carryover of \$156,200,993.00. The Debtors make no representation as to the net realizable value of their NOL carryover.

8. Insiders. For purposes of the Schedules and Statements, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and the inclusion of them in the Schedules and Statements, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

9. Intellectual Property Rights. Exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

⁴ Such terms are defined in the Cash Management Motion.

10. Executory Contracts and Unexpired Leases. Although the Debtors made diligent efforts to identify contracts and unexpired leases as executory within the scope of section 365 of the Bankruptcy Code and to attribute an executory contract to its rightful Debtors, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights with respect to the inclusion or exclusion of executory contracts and unexpired leases, as well as the named parties to any and all executory contracts and unexpired leases, including the right to amend Schedule G at any time during the pendency of these chapter 11 cases.

11. Classifications. Listing (a) a Claim on Schedule D as "secured," (b) a Claim on Schedule E/F as "priority," (c) a Claim on Schedule E/F as "unsecured," or (d) a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by any Debtor of the legal rights of the claimant or a waiver of any Debtor's rights to re-characterize or reclassify such Claims or contracts or to setoff of such Claims.

12. Claims Description. Schedules D and E/F permit the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by any Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on their Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as "disputed," "contingent" or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtor. Finally, listing a Claim that has been paid or may be paid after the Petition Date does not negate the effect of the payment of such Claim, or entitle the holder or any such Claim to double payment on account of such Claim.

13. Causes of Action. Despite making reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") it may have, and neither these Global Notes nor the Schedules and Schedules shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

14. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies

- Undetermined Amounts. The description of an amount or value as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount or value, or to suggest that such value is zero.
- Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total maybe different than the listed total.
- Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding pre-petition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced or satisfied by post-petition payments made on account of pre-petition liabilities. The Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities. Please see notes to Schedule E/F for any additional information.
- Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

15. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

16. Intercompany Payables and Receivables. Intercompany receivables (payables) are not set forth on Schedules B and E/F on a debtor-by-debtor basis to avoid distorting the relationship between the Debtors and their creditors who generally dealt with the Debtors as a single economic unit and did not rely on the Debtor’s separate identities in extending credit. Most, if not all, of the vendor trade payables are booked in the Schedules of OHS. Many of the Debtors’ creditors, including the creditors with the largest claims, sold materials or provided services to more than one Debtor. In the ordinary course of business, all bills and invoices are paid by OHS. For this reason, the Debtors believe that the Debtors’ creditors generally relied on the creditworthiness of the Debtors as a single economic unit as opposed to individual Debtors, in extending credit. In addition, because it would be enormously burdensome and expensive to trace the liabilities owed by each Debtor to each vendor, particularly in these chapter 11 cases where many vendors provide services to more than one Debtor, the benefits derived from deconsolidating the accounts payable are outweighed by the costs of doing so.

17. Setoffs. The Debtors periodically incur certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, refunds, inadvertent payments, negotiations and/or disputes between a Debtor and its customers, suppliers and third party insurers. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar

rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements.

18. Employee Addresses. Current employee and director addresses have been reported as the Debtors' business address throughout the Schedules and Statements, where applicable.

19. Debtors' Addresses. For the purposes of the Schedules and Statements, all addresses for all Debtors have been reported as the Debtors' corporate office in Dallas, Texas.

20. Global Notes Control. In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities

1. Schedule A/B – Real and Personal Property

- a. Cash and Cash Equivalents.** Cash and cash equivalents include cash on deposit with banks and all highly liquid investments with original maturities at date of purchase of three months or less. Cash and cash equivalents reflects balances at the Petition Date.
- b. Accounts Receivable.** For book purposes, accounts receivable are stated at net realizable value. The fees charged by each Debtor to patients in its nursing centers are recorded on an accrual basis. These fees are based on the actual amount expected to be collected and are contractually adjusted with respect to individuals receiving benefits under federal and state funded programs and other third party payors.
- c. Allowance for Doubtful Accounts.** The allowance for doubtful accounts is estimated based on the aging of accounts receivable, historical collections data, write-off experience, review of specific accounts and other factors. Receivables that are deemed to be uncollectible are written off.
- d. Real Property.** **The Debtors do not own any real property.** See Note 5 above, Capitalized Leases, for details regarding the Debtors' leasehold interests in real property under the Master Leases.

2. Schedule D – Creditors Who Have Claims Secured by Property

Except as specifically stated herein, real property lessors, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights, including certain parties from whom the Debtors may have received lien notices but whose notices the Debtors understands have not yet been filed or recorded. While reasonable efforts have been made, determination of the date upon which each claim in Schedule D was incurred

or arose would be unduly burdensome or cost prohibitive, and therefore the Debtors may not list a date for each claim listed on Schedule D.

Finally, the Debtors are taking no position on the extent or priority of any particular creditor's lien in this document.

3. Schedule E/F – Creditors Who Have Unsecured Claims

Certain of the claims of state and local taxing authorities set forth in Schedule E/F, ultimately may be deemed to be secured claims pursuant to state or local laws. In addition, certain of the claims owing to various taxing authorities to which any Debtor may be liable may be subject to ongoing audits. The Debtors reserve the right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority and the listing of any claim on Schedule E/F does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to any Debtor. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and or setoffs with respect to the same.

Pursuant to the *Interim Order Authorizing Debtors to (I) Pay Pre-Petition Wages, Compensation, and Employee Benefits, (II) Continue Certain Employee Benefit Programs in the Ordinary Course, and (III) Granting Related Relief* [Docket No. 56] (the "Wage Order"), the Bankruptcy Court granted the Debtors authority to pay or honor certain pre-petition obligations for wages, salaries, and other compensation, and employee medical and similar benefits. The Debtors have not listed on Schedule E any individual employee wage or wage-related obligations that the Debtors were granted authority to pay pursuant to any order that has been entered by the Bankruptcy Court, including the Wage Order. The Debtors believe that all such claims have been, or will be, satisfied in the ordinary course during their chapter 11 cases pursuant to the authority granted in the Wage Order and therefore such claims are not listed in these Schedules. The Debtors have listed in Schedule E, however, the aggregate amount of the employee wage or wage-related obligations that the Debtors were granted authority to pay pursuant to any order that has been entered by the Bankruptcy Court including the Wage Order.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made reasonable efforts to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

4. Schedule G – Executory Contracts and Unexpired Leases

Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other

miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. In addition, each Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement).

Certain confidentiality and non-compete agreements may not be listed on Schedule G. The Debtors reserves all of their rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, it is the Debtor's intent that each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved.

5. Schedule H – Codebtors

See Exhibit B to these Global Notes

Specific Notes with Respect to the Debtors' Statement of Financial Affairs ("SOFA")

Response to Question 1, Gross Revenue from Business. For purposes of SOFA Question 1, the Gross Revenue reported by the Debtor in 2018 before the Petition Date is the gross revenue for the period January 1, 2018 through February 28, 2018.

For purposes of SOFA Question 1, the intercompany rent revenue reflected on the real estate individual Debtors' financial statements has been excluded from SOFA presentation to the extent that the rent revenue is derived from an affiliated Debtor. If such revenue were not excluded from presentation, the Debtors' aggregate revenue would be substantially overstated.

Response to Question 3, List of Certain Payments or Transfers to Creditors Within 90 Days Before Filing this Case. For purposes of SOFA Question 3, the Debtors have excluded all transfers made between the Debtors that occurred within 90 days before the Petition Date. As explained in greater detail in the Cash Management Motion, because all of the Debtors, with the exception of Palladium, use a centralized Cash Management System, individual Debtor receipts are swept daily into a Master Deposit Account maintained by 4 West Holdings, Inc. before being wired on a daily basis to the Debtors' pre-petition Secured Lender, Sterling. Sterling would make daily advances to OHS and in the ordinary course of business, all bills and invoices are paid by OHS. It would be prohibitively burdensome and expensive to trace the receipts from each Debtor to 4 West and the liabilities owed by each Debtor to each vendor.

Response to Question 4, List of Payments or Other Transfer of Property Made Within 1 Year Before Filing this Case That Benefited an Insider. For purposes of SOFA Question 4, the Debtors have excluded all transfers, including the daily account sweeps, made between the Debtors that occurred within 1 year before the Petition Date. As explained in greater detail in the Cash Management Motion, because all of the Debtors, with the exception of Palladium, use a centralized Cash Management System, individual Debtor receipts are swept daily into Concentration Accounts in the names of affiliates and ultimately into a Master Deposit Account maintained by 4 West Holdings, Inc. before being wired on a daily basis to Sterling. It would be prohibitively burdensome and expensive to trace every single daily sweep from every account within the cash management system for the entire enterprise for the 1 year prior to the Petition Date.

Payments made by the Debtors to Ankura Consulting Group, LLC ("Ankura") after Louis E. Robichaux IV's appointment as the Debtors' Interim President and Chief Financial Officer (from July 26, 2017 to February 12, 2018) and subsequently, its Chief Restructuring Officer (appointed February 12, 2018), have not been listed in response to Question 4; such payments made by the Debtors to Ankura have been listed in response to Question 11.

Response to Question 11, Payments Related to Bankruptcy. For purposes of SOFA Question 11, all payments made on behalf of each of the Debtors for consultation concerning debt consolidation, relief under the bankruptcy law or preparation of a petition in bankruptcy within one year immediately preceding the commencement of these cases, were made through the Debtors' cash management system by OHS or by 4 West Holdings, Inc. The cost of these services on behalf of each Debtor have not been expressly allocated to each Debtor.

Response to Questions 4, 15 and 20, Health Care Bankruptcies. For purposes of SOFA Questions 4, 15 and 20, the below Debtors divested their operations of skilled nursing facilities prior to the Petition Date and, as such, no longer operated a health care facility as of the Petition Date. Additionally, on information and belief, these Debtors transferred the patient records in their possession to the new operators of those skilled nursing facilities.
