**ORDER GRANTING THE GUC TRUSTEE’S OBJECTION SEEKING REDUCTION OF
THE SCHEDULED CLAIM OF THE CENTERS FOR MEDICARE AND MEDICAID
PURSUANT TO 11 U.S.C. § 502 AND FEDERAL RULE OF
BANKRUPTCY PROCEDURE 3007**

Before this Court is the *GUC Trustee’s Objection Seeking Reduction of the Scheduled Claim of the Centers for Medicare and Medicaid Pursuant to 11 U.S.C. § 502 and Federal Rule of Bankruptcy Procedure 3007* (the “Objection”) filed by the GUC Trustee. By the Objection, the GUC Trustee seeks to reduce the Scheduled claim of the Centers for Medicare and Medicaid pursuant to 11 U.S.C. § 502 and Federal Rule of Bankruptcy Procedure 3007 on the grounds that

the Claim¹ has been partially satisfied and that a portion of the claim was determined to be owing to another entity. Having considered the Objection, and having determined sufficient notice was provided, the Court finds that it has jurisdiction over the matter and Constitutional authority to enter a final order, that the Objection is well-taken, and that good cause exists to grant the relief requested. Accordingly, it is therefore:

ORDERED that the Objection is **SUSTAINED**;

ORDERED that the Claim is **REDUCED** and **ALLOWED** as a general unsecured claim in the amount of **\$816,337.18**.

ORDERED that the GUC Trustee is authorized to make all necessary changes to the claims registry to evidence the relief set forth herein;

ORDERED that this Order shall be effective immediately upon entry; and

ORDERED that this Court will retain jurisdiction to implement, interpret, and enforce this Order.

IT IS SO ORDERED.

###

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed in the First Omnibus Objection.
