RE: CASE # 18-11780 (BLS)
HEARING DATE: MAY 27, 2020
PER: NOTICE OF MOTION OF LIQUIDATING TRUSTEE TO
DISALLOW CLAIMS FOR FAILURE TO PROVIDE
APPROPRIATE IRS TAX FORMS

Designer Factory Showroom, Inc. (dba Peach Blossom Yoga) hereby formally objects to the motion the liquidating trustee (Meta Advisors) filed on April 20, 2020 as indicated above.

We believe that all parties who provided goods and/or services to Brookstone (et. al.) are to be entitled to liquidated payment of outstanding invoices which reflects goods/services received and profited by Brookstone (et. al.) and no legal avenue should be allowed to mitigate the amounts due to suppliers.

Furthermore, we suspect that Brookstone acted in bad faith requesting goods/services from us (as independent suppliers) fully knowing the state of their business and the pending possibility of their applying for bankruptcy protection. There should be NO AVENUE for Brookstone's attorneys to limit the opportunities for suppliers to gain a portion of the assets available to be distributed, which is a means for us to capture some of the funds legitimately owed to us.

I would also respectfully ask Honorable Judge B. L. Shannon to investigate whether fraudulent activity was undertaken by Brookstone's management during the timeframe leading up to the declaration for bankruptcy protection.

Respectfully,

Lorne Abrams
Vice President – Designer Factory Showroom, Inc.
