so you can see my shame and embarassment, my pain, and fear, after this experience, I stopped going over to the church to play basket-ball and didn't go to those scout meetings anymore. He would ride by my house while I was on my porch I would run inside, I never told any one, I was to afraide that I would get in trouble, that I had done something wrong ... I heard later on that he had done some of these things to other boys in my neighborhood. I do carry an emotional scar and put this stuff away for years. I am a 61 year old went through a serious drug addiction as well as other dark times in my life. I am not a gay man I am straight, was married for 18 years and have a son and daughter and I have told both of them about this. It did not have a father that is where the B S of A come in but they failed to do their part. The Boy Scout motto is, With all my honor I will do my best to do my duty to God and my Country, and to obey the Scout law, to help others people at all time to keep myself physically strong mentally awake and morally straight. A Scout is trust worthy, WORTHY loyal, Helpfull, Friendly, Courteous, kind, Obedient Cheerfull, Thrifty, brave, clean, and Reverent.

These morals and values the code of ethics, this teaching they the Boy Scouts of America did not lived up to... They do not let them get by →
