To Whom it may Concern

My name is [REDACTED]. I was in an Explorer Troop in 1968-1969 (I was age 13-14 at the time) that was Sponsored by Chesterbrook Presbyterian Church, McLean Va. The Troop leader's name was [REDACTED] was thought to be a pillar of the Church and Community during those years, he was well respected and thought to be a generous, empathetic Scout Leader. The man molested me in the middle of the night at a Scout camp near Star Tannery Virginia.

[REDACTED]

I was afraid to tell my parents, as I believe they would have accused me of participating. I am not homosexual, a pedophile or anything of the sort. I am a retired DOD employee. I swore [REDACTED] to secrecy; he kept my confidence until his death in Dec. 2020. What I relate here is true and accurate; I am now 65 and hope to expose the incident so that other young men don't have a burden to carry with them, as I did. I am the only survivor of the incident as both [REDACTED] are deceased.

BSA had zero oversight or involvement with our Troop. My understanding is that [REDACTED] repeated this behavior resulting in the death of [REDACTED] of McLean Va. (feel free to look up the police reports) Your money can't pay for the problems this has caused me nor can it bring back [REDACTED] but at least it is recognition of your apathy and indifference toward this young man.
