RE: Letter to Terminate Representation by Your Firm in Regards to the Pending Case of B.S.A. and Delaware B.S.A., LLC, Case No 20-10343 (LSS), Chapter 11 in USBC for the District of Delaware and Howell F. Roberts, Creditor.

To Bern Cappelli, LLP & Whom It May Concern,

This is to inform you that I no longer want your "claimed" assistance. You have done nothing to advance my situation as to the B.S.A. When I called Ms. Leslie Rosen on 03/23/2022, Ms. Rosen was extremely rude, dismissive and non-responsive. When I asked simple questions, she treated me like I was dirt and not worth her time to respond to. I felt humiliated, mistreated and upset. Ms. Rosen did not care; she did not even try to help. I was very polite and only re-quested updates, since I had never, ever received any updates or anything of that caliber from your firm.

From the time I contacted you circa September 2020, your firm has not kept me informed of anything as to the case at bar. On three separate occasions, you have sent me three different Retainer Agreements, and I have those three agreements, all of them dated 10/19/2020. None of these Retainer Agreements were countersigned and/or affirmed by your attorneys. None can be binding on me due to the fact that none were completed as written.

I do not want any more to do with your firm based on the negligent, dismissive way that I have been treated and not as a client to be respected and informed. You did not think enough of representing me to not even sign the contracts that I have in hand. Based on this and the fact that you have done nothing for me, or even tried to do anything, you nor your firm no longer represent me.

I do tell you I do not want your firm or anyone in your firm to continue to (pretend) to represent me. I state that you never represented me in any form and state, clearly, that you had or have done nothing to even try to represent my interests. I owe you nothing. You never, ever acted for me, but only for yourselves. You should fire Ms. Leslie Rosen, who after checking with the New York State Unified Court System, as of 03/23/2022, is DELINQUENT in her registration status and/or attorney licensing fees. The paralegals that I have spoken with since December 2021, on at least thirteen (13), and more, occasions, and ranging from John Herman, Robin, Sean Smith, and Tony Kohli, never responded to my questions, never followed through with status requests, and never produced and/or mailed a letter with the stance the firm was taking with responding to the B.S.A. ballots, yet assured me that a copy of the letter was being forwarded to me, which subsequently, turned out to be a lie, due to the fact that Ms. Leslie Rosen affirmed that no such letter existed. All of

these telephone calls, and letters mailed, have cost me hundreds of dollars, that I do not have since I live on State Pay, and which I will never be reimbursed for.

Due to the myriad of deficiencies on the part of your firm, I am affirming that I do not want your firm or anyone in your firm to continue to (pretend) to represent me or in my behalf. Pursuant to the Rules of Civil Procedure and the Canons of Ethical Responsibility, since no costs have been incurred by the Bern Cappelli Law partners on my behalf, no entry of appearance has been filed to the court by the firm, and the Retainer Agreement was never coungtersigned, this Letter of Termination is appropriate, and bears no consequences on the B.S.A. victim, creditor, and claimant, Mr. [redacted]. See paragraph 5 of Retainer Agreement, last two sentences under the Withdrawal Clause, in which no compensatable services have been performed for my benefit. In other words, there was no active engagement on my behalf. Again, to reiterate, I am terminating my representation by the Law Firm of Bern Cappelli Partners, and not terminating my lawsuit against the B.S.A. organization(s).

Respectfully,
