Justice Lauri Selber Silverstein

BSA Bankruptcy Case

824 Market St., 6th Floor

Wilmington, DE 19801

Dear Justice Silverstein:

Every time I have opened a newspaper or turned on the television news or social media to see another [REDACTED] by people whose duty it is to protect children's safety I am again reminded of being [REDACTED] years ago. The nightmares start over again.

[REDACTED]

When this lawsuit became public I finally decided it was time to stop my nightmares and help stop nightmares of thousands of other kids. I'm actually starting to feel better. I wish I had told my step-father and I could have saved myself years of pain. Now it's time for you to help punish this corporate child molesting ring.

Sincerely, [REDACTED]
