CLERK  
U.S. BANKRUPTCY COURT  
DISTRICT OF DELAWARE

I can't believe I have to write a letter about being abused in the boy scouts in the [REDACTED]  
scary stories, how Mr. Aragon did that to the whole troop on different occasions,  
Does this get the lawyers off knowing little boys were abused? My father bought  
me a green sleeping bag I used once till Mr. [REDACTED] got in and abused me, now  
the color green makes me sick to my stomach, I still remember that filthy smell of  
that green sleeping bag. Or how my entire life I never trusted authority figures  
due to the boy scouts. I am done remembering this. Do what's right instead of  
sweeping it under the table.
