CLERK Claim Against the Boy Scouts

BANKRUPTCY COURT
DISTRICT OF DELAWARE

Claim # SA [REDACTED]

To : Justice Lauri Selber Silverstein

To who it may concern:

I still think about what happen to me everyday while with the Boy Scouts. Please consider the pain I went through + continue to. I'm 70 years old + this happent to me between the ages of 11-15.

For many years after I left the Scouts, I would run into my old Scout
(over)

leader while in high school,
college & into my 30's. Each time
he would start to cry, because
of what he did to me. I
think he wanted to apologize to
me, ~~but~~ he never did. I
think it affected ~~he~~ him too.

Thanks for your
understanding of this matter.

Sincerely,

NORTH TEXAS TX P&DC
