² As noted in the Debtors' application to retain White & Case [D.I. 1571], White & Case has agreed that former Sidley professionals who have transitioned to White & Case will charge the Debtors' estates for their services at the hourly rate that is the lower of their most recent hourly rate at Sidley and their then-current hourly rate at White & Case, subject to periodic adjustments in the normal course of White & Case's operations. Effective January 1, 2021, the hourly rate for these former Sidley professionals has been adjusted to the lower of the applicable hourly rate for professionals of comparable seniority at Sidley effective January 1, 2021, on the one hand, and their respective current hourly rate at White & Case, on the other hand. For the other professionals, this application reflects White & Case's customary annual rate increases effective January 1, 2021.
