Wilmington DE 19801

Dear Judge Silverstein:

I just finished reading an email from my attorneys regarding my claim against the BSA and it brought tears to my eyes.

I am 82 years old and will never forget those devastating and traumatic experiences during my scouting years (early 50's) when

[REDACTED]  
after scout meetings, driving me home and [REDACTED]  
[REDACTED], during the summer. [REDACTED]

[REDACTED] I can remember  
vividly going home, [REDACTED] and [REDACTED]

[REDACTED] In later years I did  
seek professional council.

Thank you, Judge Silverstein, for allowing me to share with you.
