Introduction

6. On March 9, 2021, the Debtors obtained protection under the CCAA pursuant to an initial order of the Canadian Court (the "Initial Order"). The Initial Order, among other things:

- a. appointed FTI Consulting Canada Inc. to act as Monitor;³
- b. granted a stay of proceedings in favor of the Debtors until and including March 19, 2021 (the "Initial Stay Period");
- c. stayed all rights and remedies of provincial energy regulators and provincial regulators of consumer sales that have authority with respect to energy sales against or in respect of the Debtors during the Initial Stay Period (the "Stay");
- d. approved a debtor-in-possession loan facility (the "DIP Facility") and associated charges, and provided that borrowings under the DIP Facility shall not initially

exceed U.S. \$125 million unless permitted by further order of the Canadian Court; and

- e. authorized Just Energy to act as Foreign Representative and initiate a case under chapter 15 of title 11 of the United States Code (the "Bankruptcy Code").

7. Also on March 9, 2021 (the "Petition Date"), shortly after the Canadian Court's entry of the Initial Order, Just Energy, in its capacity as the Foreign Representative, filed a voluntary chapter 15 petition for each of the Debtors in this Court. The Debtors' chapter 15 cases are being jointly administered for procedural purposes.

8. On that same date, the Foreign Representative filed certain first day motions (the "First Day Motions"), which were heard by the Court on March 9, 2021 (the "First Day Hearing"). The Court granted the First Day Motions and entered, among others, the *Order Granting Provisional Relief Pursuant to Section 1519 of the Bankruptcy Code* [Docket No. 23] (the "Provisional Relief Order"), which (a) recognized the Foreign Representative as the representative of the Debtors beginning on the date of the Provisional Relief Order and continuing until the conclusion of the recognition hearing, (b) enforced the Initial Order pending entry of the Recognition Order, and (c) granted certain additional provisional relief, including the application of sections 365(e) and 525 of the Bankruptcy Code to these chapter 15 cases.

9. Since the First Day Hearing, the Debtors have worked vigorously to ensure that they can continue as a going concern, service their significant customer base, maintain employment for almost 1,000 employees, and preserve enterprise value. The Debtors are very pleased to report that, to date, their efforts have been successful and allowed them to stabilize their

business and continue to serve their customers in the ordinary course, in accordance with their customer contracts.⁴

Overview of the Company's Activities Since the First Day Hearing

A. Notice to Stakeholders.

10. Promptly after obtaining the Initial Order, the Debtors sent the Initial Order and a link to the CCAA application materials posted on the Monitor's website to various stakeholders, including registrants under the Personal Property Security Act, utility providers, local distribution companies, certain bonding companies, and certain regulators. In addition, on March 9 and 10, 2021, a representative of the Debtors and/or their counsel reached out directly via telephone to at least one representative from the thirteen U.S. state regulators and five Canadian provincial regulators that license at least one of the Debtors.

11. On March 11 and 12, 2021, the Debtors sent letters to regulators in the United States and Canada advising them (a) of the CCAA and chapter 15 filings; (b) that the Debtors had obtained financing to continue, uninterrupted, their day-to-day operations while the Debtors restructure their financial obligations; and (c) that the Debtors will continue to meet their financial and regulatory obligations, and—importantly—continue to provide services to their customers.

12. In accordance with the Initial Order, on March 9, 2021, the Monitor posted the Initial Order on the Monitor's website at <http://cfcanada.fticonsulting.com/justenergy/>.⁵ On March 11, 12, and 18, 2021, the Debtors published a notice in the *Wall Street Journal* [Docket

⁴ In contrast, electricity supplier Griddy Energy LLC (“Griddy”) commenced cases under chapter 11 of the Bankruptcy Code and filed a plan of liquidation. *See In re Griddy Energy LLC*, Case No. 21-30923 (MI), Docket No. 22. Similarly, Brilliant Energy, LLC commenced cases under chapter 7 of the Bankruptcy Code and is pursuing an orderly liquidation process. *See In re Brilliant Energy, LLC*, Case No. 21-30936 (DRJ), Docket No. 3.

No. 60], and on March 12 and 19, 2021, the Monitor published a notice in the *Globe and Mail* (National Edition), containing the information prescribed under the CCAA

13. In addition, starting on March 11, 2021, Omni Agent Solutions served, among other things, the Initial Order, the Monitor's Pre-Filing Report, and the Notice to Creditors by email or mail on the parties listed in the Debtors' master service list [Docket No. 61].

B. Suppliers and ISO Services Providers.

14. Since filing for CCAA and chapter 15 protection, the Debtors, in close consultation with the Monitor, have been in contact with their Commodity Suppliers and ISO Services Providers, including all eight of the Secured Suppliers. The Debtors are having ongoing discussions with their Commodity Suppliers and ISO Services Providers, including discussions relating to additional Commodity Suppliers and ISO Services Providers potentially entering into Qualified Support Agreements. Only two Secured Suppliers have delivered notices of termination following the Petition Date.

C. Employees.

15. The Debtors have also made significant efforts to maintain their workforce in order to stabilize their business operations. On the Petition Date, the Debtors sent an email advising all of their employees that the Company had applied for protection from its creditors under the CCAA and providing the employees with information about the CCAA and the chapter 15 proceedings. Additionally, on March 10, 2021, the Debtors held a video townhall for employees where the Company discussed the CCAA filings and answered written questions from employees. The townhall was recorded, and the video is available for all employees to watch on Just Energy's intranet. Following the hearing on March 19, 2021, the Company provided another video update on March 26, 2021 to discuss the hearing and provide related updates. In addition, the Debtors have been engaging with and providing written responses to questions received from employees

since the townhall. The Debtors also obtained approval from the Canadian Court for certain incentive and retention payments for certain key employees, as discussed below.

D. DIP Facility.

16. Consistent with the terms of the Commitment Letter and the Initial Order, the DIP Facility closed on March 9, 2021, and the Debtors drew down the initial tranche of U.S. \$100 million less costs and fees.⁶ Following the Comeback Hearing and the Canadian Court's approval of the Amended Initial Order (both as defined below), the Debtors drew down the second tranche of U.S. \$25 million. On March 18, 2021, the Debtors, Alter Domus (US) LLC, and the DIP Lenders entered into an amendment (the "DIP Amendment") to the financing term sheet between them dated March 9, 2021.⁷

E. Payments to ERCOT.

17. As described in the Initial Affidavit, the Debtors were required to pay significant amounts to ERCOT shortly after the Petition Date: (a) U.S. \$96.24 million by March 9, 2021, and (b) U.S. \$18.86 million by March 10, 2021. While the Debtors paid these amounts on the dates they were due—after drawing on the DIP Facility—to protect their ability to conduct activities in the ERCOT market,⁸ they also disputed the invoices in the manner provided in ERCOT's

⁶ Within the Provisional Relief Order, the Court held that "any payments made to ERCOT are made subject to all of the Debtors' rights to contest those payments, and all rights to receive a refund or credit as allowed by applicable law. Although the Court recognizes the authority to make payments to ERCOT as granted by the Canadian Order, this Court neither adds nor subtracts from any such authorization." *See Provisional Relief Order* at 11.

⁷ The DIP Amendment incorporates termination of the Lender Support Agreement as an event of default under the DIP Term Sheet, certain additional reporting requirements, and the amendment of the scope of priority liens to authorize providing cash collateral to the Cash Management banks.

⁸ The DIP Facility is a key component of the Debtors' stabilization and reorganization efforts, as it allowed the Debtors to pay ERCOT—and continue operating as a going concern—while disputing the invoices. In contrast, ERCOT barred electricity supplier Griddy from Texas's power market for failing to make payments, and transitioned all of its customers to POLRs. As noted above, Griddy subsequently commenced cases under chapter 11 of the Bankruptcy Code and filed a plan of liquidation. *See In re Griddy Energy LLC*, Case No. 21-30923 (MI), Docket No. 22. Likewise, ERCOT barred electricity supplier Entrust Energy Inc. ("Entrust") from Texas's power market for failing to make payments. Entrust sold a substantial number of its customers to a rival

protocols. The Debtors continue to evaluate their options regarding these payments and consider the best path forward to ensure the Company's long-term health and prosperity.

18. Due to the effects of the Texas weather event and the response by ERCOT and the PUCT, the invoices for the amounts noted above were significantly larger than the usual ERCOT resettlement invoices. Subsequent daily settlement invoices for the days since February 23, 2021 have returned to normal and have averaged less than U.S. \$100,000.

F. Credit Facility Lenders.

19. Following the Petition Date, the Debtors and their advisors engaged in discussions with representatives of the Credit Facility Lenders with respect to the terms of an amended and restated Initial Order and a lender support agreement. On March 18, 2021, the Debtors and the Credit Facility Lenders entered into that certain Accommodation and Support Agreement (the "Lender Support Agreement"), a copy of which is attached hereto as **Exhibit A**. Among other things, the Lender Support Agreement sets out the terms and conditions on which: (a) the Credit Facility Lenders will continue to make revolving facilities available to the Debtors by way of issuances of letters of credit; and (b) the Cash Management Banks (as defined in the Amended Initial Order) will continue providing certain Cash Management Arrangements (as defined in the Lender Support Agreement) to the Debtors.

G. The Comeback Hearing.

20. On March 19, 2021, the Canadian Court held a hearing (the "Comeback Hearing"). Following the Comeback Hearing, the Canadian Court entered the *Amended and Restated Initial Order (Amending the Initial Order Dated March 9, 2021)* (the "Amended Initial Order"), which

retailer and ERCOT transitioned the rest to POLRs. Entrust subsequently commenced cases under chapter 11 of the Bankruptcy Code. See *Entrust Energy, Inc.*, Case No. 21-31070.

is attached hereto as **Exhibit B**, and a corresponding email endorsement (the “Endorsement”).⁹

The Amended Initial Order, among other things:

- a. granted an extension of the stay of proceedings in favor of the Debtors until and including June 4, 2021;
- b. approved the Lender Support Agreement and authorized the Credit Facility Lenders to exercise the rights and remedies available to them under the Lender Support Agreement;
- c. approved a key employment incentive and retention plan; and
- d. authorized the Debtors to pay certain bonuses to certain eligible employees and executives for the third quarter of Fiscal 2021 (the three months ending December 31, 2020) that were declared and approved by the board prior to the Texas weather event and the Petition Date.

21. The Debtors will, in consultation with the Monitor, continue their efforts to maintain the stability of their business, engage with stakeholders, and explore their restructuring options with the Financial Advisor and Monitor. To date, the Debtors’ efforts—and the protections imposed by this Courts’ Provisional Relief Order—have allowed their business to continue as a going concern and have better positioned the Debtors to face the future and serve their customers in the ordinary course.

⁹ The Debtors filed the *Notice of Filing of (I) Factum of the Applicants (Comeback Hearing), (II) Amended and Restated Initial Order, and (III) Endorsement in the CCAA Proceedings* [Docket No. 59] on the chapter 15 docket, with copies of the Initial Order, Endorsement, and Factum of the Applicants attached.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

For the avoidance of doubt, all Persons (including the parties hereto and the DIP Lenders) reserve all rights in respect of whether interest and other fees will accrue at the rate set forth in clause (b) of the definition of Applicable Margin during the CCAA Proceedings.
- (c) Notwithstanding anything to the contrary in Section 2(b) above, if an Obligor Termination Notice has been delivered and the Lenders have not cured each material breach described therein within four (4) days of such delivery, the obligation under this Agreement for the payment of the Interest Payment Obligations shall cease immediately; *provided* that the payment in cash of the

Interest Payment Obligations under this Agreement shall automatically resume upon the Lenders curing each material breach described in the related Obligor Termination Notice if all such material breaches are cured prior to the Obligor Termination Date. Notwithstanding the foregoing, nothing in this Agreement shall in any way impair or affect any rights of the Agent or Lenders or obligations of the Obligors with respect to the interest, fees and other amounts payable or which may accrue under the Credit Documents.

Section 3 Agreements and Accommodations of the Lenders

The Borrowers hereby acknowledge and agree that, other than as provided herein, the right and ability of the Borrowers to request any further Drawdown under the Credit Facilities shall be hereby suspended and the Agent and the Lenders shall have no obligation to accept any further Drawdown Notice or make any further Advance under the Credit Facilities. Subject to the terms and conditions provided for herein:

- (a) The Agent and the Lenders hereby agree that, during the Accommodation Period, the Borrowers shall be entitled to request, and the Lenders will continue to make, one or more Advances under the Revolving Facilities solely by way of issuance of Letters of Credit; provided that, the obligations of the Agent and the Lenders under this Section 3(a) shall be subject to and conditional upon the Drawdown Conditions being fulfilled or being waived by the Majority Lenders in their sole discretion; provided, further, that the Agent and Lenders shall, by written notice to the Borrowers, be entitled to terminate their obligations under this clause (a) at any time following the receipt by the Agent of a BP Waterfall Election Notice. Each such Letter of Credit so issued shall be subject to Section 5.02 of the Credit Agreement (excluding Section 5.02(11) of the Credit Agreement, which the parties hereby acknowledge will not be applicable).
- (b) In addition, the Cash Management Banks that provided Cash Management Arrangements to the Obligors prior to the Filing Date will continue to provide Cash Management Arrangements to the Obligors consistent with past practice (subject to implementation of those changes that were in process immediately prior to the Filing Date), subject to the following:
 - (i) the Obligors will provide the following cash collateral, which shall rank in priority to all court-ordered charges (the “**Cash Management Collateral**”):
 - (A) Cdn.\$2,000,000 in favour of Canadian Imperial Bank of Commerce and its Affiliates;
 - (B) Cdn.\$100,000 in favour of JPMorgan Chase Bank, N.A. and its Affiliates; and
 - (C) (i) Cdn.\$70,000 in favour of HSBC Bank Canada and its Affiliates; and (ii) US\$300,000 in favour of HSBC Bank Canada and its Affiliates;

in order to secure the Cash Management Obligations owed to such Cash Management Banks;

- (ii) the Obligors will obtain a court-ordered charge in favour of the Cash Management Banks pursuant to an amended and restated Initial Order and to secure the Cash Management Obligations due and owing and that have not been paid in accordance with the applicable Cash Management Arrangements, which charge shall be (A) junior to the DIP Lenders' Charge (as defined in the Initial Order) and any other charges which are *pari passu* with or rank senior to the DIP Lenders' Charge, and (B) senior to any other obligations which are not *pari passu* with or senior to the DIP Lenders' Charge pursuant to the Initial Order.
 - (iii) the terms of such Cash Management Arrangements may be changed in accordance with their terms, in the ordinary course of business in accordance with the Cash Management Bank's internal policies with the consent of the DIP Lenders and the Monitor.
- (c) Upon the occurrence of a Termination Event and delivery by the Agent to the Borrowers of three full Business Days' prior written notice terminating the Accommodation Period (the "**Termination Notice**"), which notice may be delivered immediately upon the occurrence of a Termination Event (and shall be deemed effective immediately upon delivery by the Agent to the Borrowers by electronic mail or facsimile transmission and the expiration of such three full Business Day period), (i) the agreement of the Agent and the Lenders provided in Section 3(a) hereof shall terminate at 5:00 p.m. Toronto time on the third full Business Day after such Termination Notice was delivered, and (ii) the agreement of the Cash Management Banks provided in Section 3(b) shall terminate (A) immediately upon the occurrence of a Termination Event arising under clause (E) of the definition thereof; and (B) upon the occurrence of any other Termination Event, after delivery of a Termination Notice and the Cash Management Banks or the Agent obtaining an order of the Court, suspending or terminating the Cash Management Arrangements, or other relief, after application on proper notice to the Obligors and the service list in the CCAA Proceedings (such time and date of termination described in clauses (i) and (ii), each a "**Termination Time**"); *provided*, that the Borrowers shall have the right to cure any Termination Event which is identified in a Termination Notice at any time prior to the applicable Termination Time; *provided, further*, that no Termination Notice shall be required in the event of any Termination Event arising under clause (A) or (E) of the definition thereof. For the avoidance of doubt, if a Borrower cures all Termination Events identified in a Termination Notice before the applicable Termination Time, then such Termination Notice will be deemed automatically cancelled, revoked and of no further effect, and the agreement of the Agent and the Lenders provided in Section 3(a) or Section 3(b), as the case may be, shall not be terminated pursuant to such Termination Notice.

- (d) The Obligors acknowledge that neither the Agent nor any Lender has made any assurances concerning (i) any possibility of an extension of the Accommodation Period or (ii) any additional consent or accommodations.
- (e) In the event the Borrowers have made any repayment under Section 1(c)(xiv)(C) in order to accommodate the issuance of one or more Letters of Credit and any Letters of Credit are later reduced or released (in whole or in part) (other than a reduction or release on account of a Permanent Letter of Credit Reduction), then the Agent and Lenders hereby agree to promptly (and, in any event, within three (3) Business Days of such reduction or release) make an Advance to the Borrowers in an amount equal to the lesser of (A) the face amount of the Letters of Credit so reduced or released (other than any reduction or release on account of a Permanent Letter of Credit Reduction) and (B) the aggregate Cash Paydown Amounts received by the Agent and Lenders to date (excluding any Cash Paydown Amounts previously returned to the Borrowers as an Advance pursuant to this clause (e)) (it being agreed and understood that the conditions to making Advances contained in the Credit Agreement are waived for the limited purpose contained in this clause (e)). Any such Advance pursuant to this clause (e) shall be treated as an Advance for all purposes of the Credit Agreement.
- (f) The Agent and each of the Lenders agree that during the Accommodation Period, they will not, directly or indirectly, sell, assign, lend, pledge, mortgage or dispose or otherwise transfer any of its relevant position in the obligations under the Credit Agreement or with respect to Letters of Credit (the “**Relevant Debt**”) unless the Agent or the assigning Lender concurrently obtains an agreement in favour of the Obligors that provides that the assignee party agrees to be bound by the terms of this Agreement.
- (g) The Agent and the Lenders agree that, after the delivery of an Obligor Termination Notice, if the Lenders have not cured any material breaches described in the Obligor Termination Notice within seven (7) days of delivery thereof, the Obligors shall be permitted to apply to the Canadian Court for termination of the Accommodation Period and declaration of the Obligor Termination Date. For greater certainty, the Lenders shall continue to have the right to cure any such material breaches at any time following the application by the Obligors and prior to any determination thereof by the Canadian Court.

Section 4 Representations and Warranties

In order to induce the Agent and the Lenders to enter into this Agreement, the Obligors hereby confirm that all the representations and warranties of the Obligors contained in Schedule A are true and correct in all material respects; provided that, any such representations and warranties that are already qualified by materiality shall be true and correct in all respects.

Section 5 Conditions Precedent

This Agreement (including the agreements, accommodations and consents contained herein) shall be subject to and conditional upon the following conditions precedent being fulfilled to the satisfaction of the Agent and the Lenders:

- (a) execution and delivery of this Agreement by the Obligors, the Agent and the Lenders;
- (b) the representations and warranties of the Obligors in this Agreement shall be true and correct in all material respects;

- (d) the Lenders are satisfied with a summary of the principal economic terms of the engagement letter between JustEnergy and BMO Nesbitt Burns Inc., as financial advisor to the Obligors, provided to the Lenders on a confidential basis;
- (e) the Obligors will have paid, or arrangements satisfactory to the Agent shall have been made to ensure that the Obligors will pay, all reasonable out-of-pocket fees and expenses (including all reasonable legal fees and consultant's fees) incurred by on or behalf of the Agent in connection with this Agreement and the transactions and other documents contemplated by this Agreement on or prior to the Filing Date;
- (f) the DIP Lenders shall have approved this Agreement and authorized the Obligors party hereto to enter into this Agreement and perform their obligations hereunder; and
- (g) the Canadian Court shall have approved this Agreement and authorized the Obligors party hereto to enter into this Agreement and perform their obligations hereunder, pursuant to the amended and restated Initial Order.

provided that, all documents delivered pursuant to this Section 5 will be in full force and effect, and in form and substance satisfactory to the Agent, acting reasonably.

Section 6 Expenses

During the Accommodation Period, the Obligors shall pay all reasonable and documented fees and expenses of the Agent, the Lenders and the Collateral Agent, which fees and expenses shall be limited to the reasonable and documented time-based out-of-pocket legal and advisor fees (excluding any success fees) of McCarthy Tétrault LLP, Chapman and Cutler LLP, the Consultant and one Texas local counsel, in their capacities as advisors to the Agent, the Lenders and the Collateral Agent, whether incurred prior to, on or after the Filing Date, in connection with matters relating to the CCAA Proceedings and the Chapter 15 Proceedings, including the preparation, negotiation, completion, execution, delivery and review of this Agreement and all other documents

and instruments arising therefrom and/or executed in connection therewith, in each case, within ten (10) days (the “**review period**”) of the Borrowers’, DIP Lenders’ and Monitor’s receipt of detailed monthly invoices for such fees and expenses (which in the case of legal counsel may be redacted for privilege); *provided* that any of the Borrowers, the DIP Lenders or the Monitor may raise good faith disputes regarding any such invoice by written notice to the Agent before the end of the review period (which such dispute shall be finally adjudicated by the Canadian Court), but the Borrowers shall pay any undisputed portion of the invoice within two (2) Business Days of the end of the review period; *provided further*, that the Obligors shall not be required to pay any fees and expenses of legal counsel retained separately by the Agent or by any individual Lender or group of Lenders (all of the foregoing, the “**Expense Reimbursement Obligations**”, except as provided in clause (ii) below). Notwithstanding the foregoing, (i) if an Obligor Termination Notice has been delivered and the Lenders have not cured each material breach described therein within four (4) days of such delivery, the payment of the Expense Reimbursement Obligations in cash shall cease immediately; *provided* that the payment in cash of the Expense Reimbursement Obligations shall automatically resume upon the Lenders curing each material breach described in the related Obligor Termination Notice if all such material breaches are cured prior to the Obligor Termination Date and (ii) the Expense Reimbursement Obligations shall not include fees and expenses related to any action(s) by any of the Agent, the Collateral Agent or any of the Lenders (or their respective counsels) in the CCAA Proceedings or the Chapter 15 Proceedings that (x) is adverse to the interests of the DIP Lenders under the terms of the DIP Term Sheet or under any order of the Canadian Court or US Court, or (y) the Monitor determines is (A) materially adverse to the interests of all Interested Creditors, taken as a whole, or (B) the Monitor determines is not filed in good faith to protect the interests of the Lenders.

Section 8 No Waiver

The Obligors acknowledge and agree that the Existing Defaults have not been waived and that this Agreement shall not constitute an amendment, waiver, consent or release with respect to any provision of the Credit Documents, a waiver of any breach of representation and warranty, breach of covenant, or any Pending Event of Default or Event of Default thereunder, or a waiver or release of the Agent’s, the Collateral Agent’s or any Lender’s rights or remedies, all of which are expressly reserved.

No failure or delay by any party in exercising any right, power or privilege hereunder shall

- (e) the Cash Management Banks shall be entitled to the benefit of and are hereby granted a charge (the “**Cash Management Charge**”) on the Property to secure the Cash Management Obligations due and owing and that have not been paid in accordance with the applicable Cash Management Arrangements (as defined in the Lender Support Agreement). The Cash Management Charge shall have the priority set out in paragraphs 53-55 herein; and
- (f) the Just Energy Entities are authorized but not directed to continue to operate under the merchant processing agreements with JPMorgan Chase Bank, N.A., Paymentech, LLC (“**Paymentech**”) (collectively and as amended, restated, supplemented, or otherwise modified from time to time, the “**Merchant Processing Agreement**”). 9. **THIS COURT ORDERS** that the Charges (as defined below) shall rank junior in priority to any liens, security interests and charges attached to Cash Collateral in favour of the holders thereof, and shall attach to the Cash Collateral only to the extent of any rights of any Just Energy Entity to the return of such Cash Collateral.

- (e) any taxes (including, without limitation, sales, use, withholding, unemployment, and excise) not covered by paragraph 12 of this Order, and whereby the nonpayment of

11. **THIS COURT ORDERS** that, except as otherwise provided to the contrary herein and subject to the terms of the Definitive Documents, the Just Energy Entities shall be entitled but not required to pay all reasonable expenses incurred by the Just Energy Entities in carrying on the Business in the ordinary course after this Order, and in carrying out the provisions of this Order, which expenses shall include, without limitation:

14. **THIS COURT ORDERS** that until a real property lease is disclaimed in accordance with the CCAA, the Just Energy Entities shall pay all amounts constituting rent or payable as rent under real property leases (including, for greater certainty, common area maintenance charges, utilities and realty taxes and any other amounts payable to the landlord under the lease) or as otherwise may be negotiated between the applicable Just Energy Entity and the landlord from time to time (“**Rent**”), for the period commencing from and including the date of this Order, twice-monthly in equal payments on the first and fifteenth day of each month, in advance (but not in arrears). On

the date of the first of such payments, any Rent relating to the period commencing from and including the date of this Order shall also be paid.

15. **THIS COURT ORDERS** that the Just Energy Entities shall provide each of the relevant landlords with notice of the relevant Just Energy Entity's intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord disputes the entitlement of a Just Energy Entity to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the relevant Just Energy Entity, or by further Order of this Court upon application by the Just Energy Entities on at least two (2) days notice to such landlord and any such secured creditors.
